## Editing Orders

You can edit your quantity to add or remove a portion of an item. Click on the Remove link to remove an entire line. To change the size of an item, you will need to remove the item and then use the Add Item button to add the correct size. As you make changes you will see a note at the top of the screen that the order has a non-zero balance. Click Next Step when done. Refunds will be sent automatically, you will need to enter payment information for and additional charges.

## Adding Items

Items can be added to your existing order as a means to edit sizes or add missing pieces. When the Add Item button is clicked you will be prompted to select the item you would like to add to your order.

Once you have selected an item to add you will see the item detail page to select a size and quantity to add to your order. When done, click the Add to Cart button.

## Order Payment

If the order has a negative balance, you will be asked to confirm your refund amount. If you have a balance requiring payment, the top of the payment screen will display the amount of the payment required to complete your order. You will be able to process your payment with a Credit Card. Once you have entered your Payment Information, click on the Finalize Order button. You will see a confirmation of your updated order and you will also receive an updated email receipt.
